In this position, you will be the lead financial accountant in one of our three main divisions as well as assisting with several stream-line improvement projects within the Finance Team. You will be responsible for completing month end processes and maintaining supporting schedules. We encourage cross-training to promote diversity and growth within the company.

When you join our team, you will have the ability to:

- Learn the ins and outs of our accounting processes
- Be a problem solver and go to person
- Learn and thrive in an environment where there is always room for growth
- Work directly with our corporate finance team
- Collaborate with a diverse team of professionals

Working from our Corporate Head office located at **40 Topple Drive, in Dartmouth** and reporting to the Finance Manager the Accountant will be a key member of our Finance team. This position also works closely with Sales , Operations and Inventory

Duties and Responsibilities

- Financial statement preparation
- Month end adjusting journal entries
- Ensure all relevant financial information is entered into the GL on a timely basis.

- Leadership and guidance to Billing, AP, and Sales
- Provide job and operating costing
- Budget preparation
- Providing reconciliations and supporting schedules, investigate variances
- Complete government remittance (Sales tax returns, EHC, Fuel tax)
- Communicate and work directly with manager on year end audit duties
- Liaise with auditors, government, and other stakeholders
- Preparing ad hoc analysis to the Finance and Operations managers

Qualifications and competencies

Must have's:

The successful candidate will ideally possess a minimum of 1-4 years of experience in a financial environment within a large organization. You are highly proficient in Excel, Crystal Reports, SAP, and Microsoft Office 365, and are experienced with cloud-based accounting.

The ideal candidate will possess a post-secondary education, preferably in Accounting or Finance, and possess or be on track to get an accounting designation (CPA).

Ideal Candidate will also have:

- Strong organizational skills and attention to detail
- Strong aptitude for problem solving and creating efficiencies
- Ability to prioritize conflicting demands
- Desire to work in a challenging, fast paced environment with tight deadlines
- Excellent written and verbal communication skills
- Maturity, professionalism, and high level of confidentiality and discretion
- Strong work ethic with a positive, can-do attitude
- Demonstrated ability to work effectively as part of a team
- Willingness to lead and take initiative.
- A drive to produce high-quality work
